The ticketing system CY uses is similar to the one used for purchasing airline tickets on-line. Here's the step-by-step ordering information:

- 1) Go to the PG website www.pagirlchoir.org (on April 20th after noon) and click on the "Buy Tickets Online" link under "PG Spring Concert Tickets". This is a secure website.
- 2) Select the seats you would like to buy.
- 3) After selecting your seats on the seating chart, click "next step." Follow the prompts to enter your credit card information.
- 4) After your order is completed, **print out your tickets on a printer.**

If you do not have internet access, we will be happy to provide you with a computer at a CY rehearsal so you can order your tickets. Should you not have a credit card, please call 215-849-1762 to order tickets. Please know that ticket prices are the same whether your tickets are bought on line or by phone.

If you need any assistance, please call Steven Gearhart at 215-849-1762 x122 or email sgearhart@cychoirs.org.
